ACHIEVEMENTS

To develop healthy and safe culture in Pakistan through education and advocacy, Highlight the importance of Safety, Health and Environment legislation and regulatory reforms for sustainable development in perspective of Pakistan Vision 2025 and work closely with the concerned organizations to achieve United Nations Sustainable and Millennium Development Goals.
Pictorial Glimpse of Our Journey
The first Professional Development Conference PDC 2017 and Exposition of the ASSP Pakistan chapter held at Serena Hotel, Islamabad in July 2017. The theme of the PDC was “Journey Towards Safer Pakistan” which attracted over 300 participants and 20 exhibitors from all over Pakistan. The 2017 conference was presided by Mr. Shahid Khaqan Abbasi, federal & provincial secretaries, Government departments, International organizations including ILO, academia, industry & business leaders and safety professionals.

The second Professional Development Conference PDC 2018 was a two-day event with the theme of “Promoting Sustainable HSE Culture in Pakistan” which was held at Marriott Karachi on December 07-08, 2018 with partnership of Employers Federation of Pakistan (EFP) and International Labor Organization (ILO). President of Pakistan, Dr. Arif Alvi was invited to chair the event. He could not attend due to more important meeting but his message for the conference was read at the event. Highlights included policy statements by government officials & high-level dignitaries, key-note speeches by highly eminent professionals, technical sessions and panel discussion with leading safety experts and industry representatives. President EFP and Country head ILO also spoke at the event.

The third Professional Development Conference PDC 2019 is scheduled to be held on November 15-16, 2019 at Royal Palm Golf Course and Country Club, Lahore with theme of “Breaking barriers to Safety Culture”. The PDC 2019 will bring all the stakeholders from the Government, employers, workers, academia, professionals and civil society together for an effective, meaningful and result-oriented discussion & consultation on this vital subject to meet the future challenges of growth and sustainability. It will also provide a clear vision for developing modern OSH legislation and capacity building of the enforcing authorities as well as the employer and employees. The proceedings and recommendations of the PDC will be compiled and published for distribution to all stakeholders after the event. ASSP Pakistan team looks forward to receiving your confirmation for participation at PDC 2019.
